Teacher's Notes

With the holidays quickly approaching, we try to find ways to give to those in need. We are currently collecting pennies and coin change to help raise funds for those who suffer from blood cancer. By contributing to the Leukemia and Lymphoma Society you will help families deal with the hardship of those diagnosed with blood cancer and improve their quality of life. Each donation, large or small, all adds up to helping their mission to cure the #1 killer of children. Please look for the donation boxes located at each site.

During the month of November we will also begin our annual wish list project to help young adults who have turned 18 and are no longer eligible for foster care. Please be on the look out for our giving tree located at the Child Care Center. More details to come...wishing you all a healthy, safe and warm Thanksgiving!

Child of the Month

Andrew Cruz
Terrace View Elementary:

Andrew is a very nice and sweet young man. He is the middle child of three boys and though you might think this would cause him to be rowdy and rough, it's quite the opposite. He has a quiet and gentle nature that draws the other children to him instantly. His is always very willing to help his friends and teachers. He is well-spoken and enjoys reading as well as passing on his knowledge to others. He loves to play his guitar and listen to music. Andrew is a pleasure to have at day care and we all truly believe his parents are very lucky. Thank you Andrew for being a great friend. Congrats!

Benjamin Cruz
Kindergartners:

Benjamin is a very smart and sweet Kindergartener. His favorite part of the school day is recess. He likes to play with Beldon, Carson, AJ, and Celia at day care. He is in an acting class and will be performing in the play "Willy Wonka and the Chocolate Factory" as Newsie and Little Mike. He likes to play video games with his brothers, Daniel and Andrew. Benjamin is excited to see the movie "Where the Wild Things Are" with his family. His favorite food is pizza and chicken nuggets. We love having Andrew and all his smiles here at the school age program. Congratulations, Andrew!

Haley Feldman
Terrace View Elementary:

Every time I think of Haley, I think of a halo because Haley is an angel. She is so kind and honest. She is always thinking of others and different ways she can help her friends. She loves to go to Lake Havasu with her family in the summer when it's nice and hot. Haley also loves to play with her 4-year old niece, Brianna. Haley is a sweet girl and we are happy to have her in our program. She is our beautiful angel. Congratulations, Haley!

Rebekah Szalmari
Grand Terrace Elementary:

Rebekah is an outgoing and kind-hearted second grader in our after school program. She is always friendly, happy and helpful towards her friends and teachers. She has a little sister named Abigail. She loves her grandmother because she spoils her! She loves to go to Disneyland with her family. Also, her favorite food is chocolate cake and fish. She was very excited to join Girl Scouts and really enjoys it. Her favorite subject in school is math and she also enjoys writing and drawing. We so enjoy having her. Keep up the good work, Rebekah!
